G O O T LAGER BIER.

Air—"Bold Privateer."

I'll sing to you a song dat you all likes to bear,
It's about a drink dat sobers yon and makes you feel so queer ;
It ish goot for de stomach, it ish good for de head.
It ish good to make dinner mit de switzercase und bread.

Chorus.—De nice lager bier, de goot lager bier,
Dere's noting in dis world like de bully lager bier.

It ish goot for de busband, it is good for de frau,
It ish goot for her temper when she wants to kick up a row ;
It ish good for de baby when it feels a little queer,
It ish good for de belly grubs, is dis goot lager hier.
De nice lager bier, &c.

It ish goot for politicians when dey vant to catch a vote,
It keeps de lies from sticking in der throat ;
It ish goot for de congressmen ven dey vant to figbt a duel,
For dey cannot hit each other from a shackass or a mule.
De nice lager hier, &c.

It ish goot for de maiden when she gets up de love sick,
For it cures de highsterics, till deir face shine like a brick ;
It ish goot for de fashion, for it saves the hoop skirts fine,
For when dey drink a harrel up dey need no crinoline.
De nice lager bier, &c.

It ish goot for de breacher ven he preaches off de church roof,
For he vill baptize you mit lager till he finds you devil-proof ;
It ish bad for de doctor, for it won't make folks get sick,
It makes de peebles send jalap to de heer vaults of old Nick.
De nice lager bier, &c.

It ish goot for a feller ven he wants to have a spark,
For it tickels up bis courage till he comes up to the mark,
It ish goot for a gal ven she wants to catch a feller,
It makes her just as cunning as a mice down in de cellar
De nice lager bier, &c.

It ish goot for matrimony for it makes a frau feel blest,
It brings de milk of human kindness and peace to her breast ;
I've got a nice young wife, and a little baby dear,
It all comes from drinkin' of the goot lager bier.
De nice lager bier, &c.
